Problems Missed:

**Directions:**

Answer the questions below to find out why each problem was missed. Write the number of each problem under "yes" or "no". Each problem should be listed under "yes" or "no" for each question.

	Yes			No		
1. Was the problem copied correctly?						
2. Did you have the correct answer but checked it wrong?						
3. Did you make a careless mistake?						
4. Did you miss this type of problem on one or more of the last 5 lessons?						
5. Is there something about the problem or the solution that you do not understand?						

**Workspace:**
