Enrollment Contract

Please initial each paragraph

_____ We are enrolling our child(ren) in ACTS, Inc. for the 2019-2020 co-op year. We understand our commitment is for the co-op year (Sept.-May). We have not registered any of our children for classes for which they do not meet age requirements without prior Officer and Teacher approval.

_____ We have read and understand the **ACTS Statement of Faith** and agree to respect these as the doctrinal beliefs upheld by the ACTS leadership and the teachers who hold classes at ACTS.

_____ We understand that class offerings through ACTS are a supplement to our children. As home-schooling parents we understand that it is our responsibility to issue credits and grades. Parents are responsible for maintaining all educational responsibility. Parents may ask for grades from their child's teachers, but the parents are ultimately responsible. ACTS and teachers who hold classes at ACTS assume no educational responsibility.

_____ We have read and understand the **ACTS Registration Policies and completed the Background Check Information Form.**

_____ We have read and understand the **ACTS Tuition Policies.** We agree to pay tuition in accordance with these policies. We understand that if we withdraw our children or they are dismissed from co-op, that we will be held responsible to pay the entire amount of tuition owed to our child(ren)'s teachers for the remainder of the year. We understand that while we are offered the opportunity to pay monthly, that tuition is a yearly obligation. Attached is a copy of each child's schedule in our family. We have circled and initialed the yearly tuition amount that we owe the teachers.

_____ We understand that **ACTS dues and background check fees are non-refundable.**

_____ We have read and understand the **ACTS Service Requirement Policies. ACTS operates as a cooperation of families** endeavoring to supplement the education of their children. ACTS is only as strong as its weakest link. ACTS is not a school, with tuition to cover facility management, administrative oversight, and safety. The hours of service performed by us (as members) are **absolutely necessary** to ACTS' existence and maintenance. We understand there will be a \$50 fee for any scheduled service shift for which we don't show. We understand that failure to fulfill our family's service hour obligation may result in loss of priority scheduling over newer families as well as termination of our ACTS membership.

_____ We have read, understand, and **agree to abide by the ACTS Supervision, Discipline, Conduct, and Dress Code Policies.**

_____ We understand that **ACTS policies** may be subject to changes throughout the year and that it is our responsibility to be aware of the posted policy revisions supplied through the **Weekly Update.** We understand that the **Weekly Update** is the primary means of communication from ACTS and agree that we are responsible for the information relayed.

_____ We understand that field trips or activities outside of class are NOT sponsored by ACTS. Any activities outside of the ACTS Calendar year are voluntary arrangements between each family with the teacher.

_____ We understand that we are responsible for our children at all times. We understand that we're fully responsible for informing the ACTS officers and teachers of any significant allergy **in writing.**

_____ We have read, understand, and have signed the **ACTS Release of Liability Form.**

_____ ACTS reserves the right to terminate our participation.

Class Registration Exception Request

Registration Exception Policy: ACTS teachers thoughtfully set the intended grade level for their course, and these levels must be respected by all members. Because homeschooling families do not strictly follow grade levels, the minimum and maximum grades for each class are added to each course description. Parents must carefully evaluate their rationale for advancing or retaining their children in classes in which they do not meet the intended grade range. To respect one another, members must realize that granting a class registration exception frequently prevents a fellow student of the intended grade/age level from benefiting from the class. Exceptions should be requested very rarely and should be based primarily upon academic rationale. (For p.e classes, physical stature rather than academic level may be appropriate rationale.) Students who are exceptionally advanced, or those who have learning delays / disabilities may be considered appropriate for class registration exception requests; arranging for siblings to have the same class or scheduling preferences are not considered appropriate rationale for registration exception requests.

Public schools use September 30 to determine grade level; ACTS policy is more flexible: **November 1st** is the date **minimum** age is determined, and **August 31st** is the date **maximum** age is determined. Rationale: many homeschooling parents base their child's grade level on their age for most of the school year. (example: A child who turns six years old October 8th, is six for eight of the nine months of the school year, and is a first grader); other parents base their decision upon the child's age by September 1st. The ACTS minimum and maximum requirements allow grade flexibility for Sept. 1 through Oct. 31 birth dates, and intend to promote fairness of enrollment and appropriate learning environments. (for examples see Registration Policies page located in the Policies section of this handbook.)

I submit this class registration exception request because my child is: (please circle) 1) Exceptionally advanced, 2) Has a learning delay or disability, 3) Other. I have described my child's particular situation below, and respectfully request a class registration exception for the intended grade level for this course be made. **I understand the registrar must schedule my child into this course in HORAS and will do so only after approval is granted by the teacher and Officers.**

Student's name: _____ Email address _____

Student's Date of Birth _____ Age by August 31st _____ or Age by November 1st _____
(if older than max grade) (if under the min grade)

Class Name: _____ Class Period _____ Teacher _____

Grade level for 2019-2020 _____ Minimum/maximum grades for the class: _____

Rationale Supporting the Request: (use the back if necessary)

Was this class requested on the Needs Assessment? _____ (yes/no)

I understand that registering my child ahead of grade level now may create gaps in their schedule in the future. When course work becomes more difficult and pre-requisites are involved, they may not be ready to move to the next course in the sequence.

I understand that if this exception is granted for the _____ school year, it does not approve continual exceptions. Exception requests must be submitted each year.
